

Pac Board Meeting 12/8/08

Attendees: Ray S., Ray L., Tammy, JD, Ann, Judy, Carl, Jane, Gillian, Brenda, Megan, Carolina, Shay

Meet attendance: email to be sent to all parents with reminder to sign out if swimmer will not be attending a meet at front desk.

Girls C: Much discussion on ways to improve running of girls C meets. Lack of volunteers possibly due to new parents who are not comfortable with working a meet. Will have a meeting with parents to try to increase participation. Another option is paying aquatic staff which would raise the price for all to swim. Another option brought up to incorporate a "fine" if you don't show up to work your assigned shift or find a replacement. Option of having another practice meet to help with the comfort level. Another option of going to one girls team, with swimmers getting less events in a meet, or some swimmers only going to invitational type meets. Ann Zalkind has offered to meet for three 2hr sessions with anyone interested in learning to score a meet.

Officials: There are no Level II officials to be able to run a meet next year.

Website: Megan, Carl, and Viniciza to meet. Website has been better and more up to date.

Team breakfast: 12/20 room 4. Brenda organizing, needs volunteers. Plan is for level 1,2, & 3 to eat from 8:00- 9:00 and other levels to eat from 9:00-10:00. Boys have an away meet that day. Will need to set up from 7:00 – 8:00.
